The visit to the Bean Cemetery was not made until after the close of the exercises in the church; too late to learn the names or to properly decorate all the mounds where rest the nations dead.

The Committee solicited the assistance of Garnet Hill Grange in Memorial Day observance which was cheerfully and effectively given.

The Center Harbor School under the direction of Misses Ellen Sleeper and Pearl Leighton, also the school under Miss Whitehouse joined in rendering a most entertaining and patriotic services consisting of songs, recitations, flower exercises and flag drill, which showed much care, labor, and skill of teachers and scholars; in the preparation of such exercises. The flag drill was exceedingly fine: and most beautifully executed.

## TOWN OF CENTER HARBOR

The Grange furnished an excellent program, consisting of reading and patriotic songs. The reading "When the Boys in Blue are Gone" touched the heart; and was most appropriate. Mrs. Alice Sargent gave a most excellent reading and Mrs. Drew rendered "Home from the War" very effectively. The Grange choir furnished excellent music and carried us back to old time at the sound of "Soldier's Farewell." The Center Harbor Band furnished music and headed the school to the Village Cemetery and Church. The Church committee cheerfully gave permission for the exercises to be held at the church which was done.

Asa Warren Drew delivered a most eloquent and patriotic oration: recalling to mind, the gathering storm clouds prior to 1861—the sad years following and until the dawn of Peace: and a reunited Country of the present, etc with "America" by Grange choir and the audience, Memorial service was closed. The committee then visited Bean Cemetery where taps were sounded by the cornetist and their duties ended.

Respectfully submitted.

## Report of School Board

---

The money raised for school purposes this year we are confident has been well expended. We have tried as far as we were able to give you as much as possible for your money. For one thing, we have increased our year from thirty to thirty-five school weeks. This winter has been unusually severe so that our percentage of attendance in the Village District has been badly cut into. If it seems advisable to make the winter term as long another year, it will be best to furnish transportation for the smaller children in the outlying districts. Owing to the small number of pupils in the Village District we tried the experiment of putting both rooms under one teacher. We think we made no mistake, taken as a whole. Two other districts, with the same number of pupils as the Village District, were consolidated two years ago, to the satisfaction of both parents and school board. In this move, the town saved the salary of one teacher by the spending of three dollars a week for transportation.

Before our next term begins, we would like to call a parents meeting, similar to those in larger towns, where they have been conducted to great advantage to both par-

ents and children, as well as to teachers and school board. The idea has been to call meetings where the teachers and board could meet the parents, to talk over, in a friendly way, everything of interest to our schools. In fact, make every parent feel that they have a voice, as they should, in school affairs.

In last years report we urged the parents to visit the schools as often as possible to show the teacher they were interested in the children's welfare and so encourage them in their work. We are sorry to say very few have taken the trouble to get an inside view of our teachers work. We hope during the coming year to see an improvement in this respect.

Mrs. H. F. Fitzroy has the thanks of the school board for two and one half cords of dry wood delivered at the Village School.

The Hawkins school building was shingled, painted and put in thorough repair.

The building in the Cram district will be shingled and painted in the early Spring.

The Village school building was put in thorough repair two years ago so that no money will be needed for repairs this year.

With the balance on hand in the general fund, with with the increased amount to raise by law this year, no extra money will be required at our school meeting.

For outside tuition, the board would recommend that the selectmen raise \$300 by taxation; also \$50 for supplies.
